Translate into Urdu: (10)

- 1 Books are a source of comfort for us. They are a safe shelter. Throughout human history man has found peace in the written works. Book are bridges- through their pages we make our contact with society. Those who read more are better prepared to face the world than those who don't read.
- 2 There is a frequently asked question. What would the world be like without books? The very question is absurd and depressing. It is always said that the latest technology signals the demise of the book. Decades ago, it was thought that the radio would replace books. The fear has persisted throughout with the inventions of television and internet.
