- 1 News coverage over television is different from reading newspaper. Newspaper were primarily established to cover the news and later on they added entertainment. On the other side television was mainly invented for entertainment and then it became an effective news medium. Now television news has become a powerful rival to newspapers. Though both of these mediums cover the news effectively, there was distinct differences in the way they do it.
- 2 Although television can give us the most updated news and visuals, newspaper can give us more in-depth coverage. editorials and column writers can give us their expert views and analysis that we can digest slowly as we read them. Many people also opt to read more than one newspaper a day so as to get different viewpoints of the story and to check for its validity. Readers can also give feedback to the articles by writing to the forum pages.
