Translate into Urdu: (10)

- 1 Drug addiction is caused by environmental factors. A few important environmental factors that my cause drug addiction are bad peer influence and troubled domestic background. When young people remain in bad company and do experiments in the name of adventure, they may fall a prey to addiction. The people who are dissatisfied and discontented with their lives may also resort to drug addiction in order to seek an escape from responsibilities of life.
- 2 The other factor that contributes in rehabilitation of the drug victim is proper counseling. The sooner it is done the better it is for the victim. The counseling process must continue even after the drug abuser is rehabilitated because of the dangers of a relapse. Doctors, family and friends must continue to critically watch and counsel the victim for better motivation and adjustment.
